Travel cancellation insurance 100%

Insurance coverage: **Standard**

The price of travel event (PLN)	Net insurance premium (%)
up to 3.000 PLN	2 %
from 3.001 PLN to 17.000 PLN	2,15 %

Given rates do not include VAT.

Travel cancellation insurance

The insurance pays out the costs of the cancelled travel which is the result of incidents such as death, accidents, going into premature labour (by the insurant or person close to the insurant and also a travel participant or a person close to the travel participant), serious property damage (of insurant or travel participant).

The costs of travel cancellation are defined as the costs caused by the cancellation included in the contract with the travel agency and spent by the insurant before the beginning of the travel.
